

**Priority Abstract  
Deadline  
February 13, 2015**

**Poster ONLY  
Deadline  
March 23, 2015**

Plan to attend the IBNS 24<sup>th</sup> Annual Meeting, June 2 – 7, 2015, to hear from the best in the various aspects of behavioral neuroscience, to network with scientists and researchers from all over the world, to present your work and to enjoy the gorgeous surroundings that British Columbia, Canada, have to offer!

*Photos below were taken at nearby Butchart Gardens.*

**IBNS**  
International Behavioral  
Neuroscience Society

**Save the  
DATE!**

**24<sup>th</sup> Annual Meeting • June 2 – 7, 2015**

***The Fairmont Empress Hotel, Victoria, BC, Canada***

**Just a few of the symposia to be presented** (click [HERE](#) for full symposia):

- Decision-making in animal models for neuropsychiatric disorders.
- Molecular mechanisms of cocaine-induced cellular and behavioral plasticity.
- Neuroadaptations to chronic antipsychotic treatment in preclinical models.
- Neurogenesis: Sex, drugs and memory – what's neurogenesis have to do with it?
- Standardization of Rodent Behavioral Testing: Where we've been, and where we're going.
- Sensory processing in autism – from the clinic to animal models.
- Neuromodulatory control of arousal and motivation by ascending peptidergic systems.
- Behavioral Neuroscience through the eyes of those Bob Blanchard influenced.
