

## **Neuroscience careers in government and industry**

Satellite meeting to 2014 CAN-ACN Meeting

May 25, 2014

### **Speaker profile:**

***Alison Fenney, PhD, Senior Lead Industry Relations, Ontario Brain Institute***

Alison Fenney has a PhD Neuroscience and a MBA in Health Service Management from McMaster University, with early experience in Healthcare Investment banking and the not for profit sector. Her role at the Ontario Brain Institute involves managing an approx. \$2MM fund dedicated to providing “away from the bench” training and work experience to recent neuroscience graduates. Her role also involves managing relationships with Industry partners and launching new platforms to provide financial support and advisory services for companies developing innovative products in neuroscience. She currently sits on the Board of Directors of AGE Inc., a social venture creating educational products for healthcare professionals working with persons with dementia.
