Dear Collaborators and Industry Partners,

It is our pleasure to invite you to support our next meeting, which will be held in Toronto, Ontario from May 29 – June 1, 2016. This will be the tenth Annual Meeting of the Canadian Association for Neuroscience, the largest association dedicated to neuroscience research in this country. Our meeting will provide you with great opportunities to showcase your products and interact with many researchers and clients.

Of the growing number of researchers who attend our meeting – we expect approximately 900-1000 attendees this year – many will be interested in discovering the products you have to offer. Our attendees study development, cellular biology, sensory, motor and neuroendocrine systems, cognition and behaviour, and many other domains in the vast field of neuroscience. These studies require many advanced tools and equipment that companies like yours provide.

Our conference will be held at the Sheraton Centre Toronto Hotel, a modern, state-of-the-art hotel located in the heart of downtown Toronto.

Advertise in our conference program, be an exhibitor and display your product, or sponsor a portion of the conference and receive extended exposure to the 900+ group of assembled Canadian Neuroscientists! Full details can be found in this package.

Your presence at our meeting is a much appreciated demonstration of your support for Canadian Neuroscience.

Sincerely,

Dr. Douglas P. Munoz

President of the Canadian Association for Neuroscience

What is the 9th Annual Canadian Neuroscience Meeting?

The 10th Annual Canadian Neuroscience Meeting is Canada's largest conference bringing together researchers and scientists from the many disciplines comprising the world of Neuroscience. The conference serves as an important event for discussion and exchange of the most cutting edge knowledge, insights, issues and ideas in Neuroscience.

The first Annual Canadian Neuroscience Meeting was hosted at the University of Toronto in 2007. The support of the conference exceeded all expectations with over 600 delegates in attendance and spurred the decision to continue holding annual meetings. Since then conference attendance has fluctuated between 600 and 1000 delegates depending on proximity of the meeting location to major neuroscience centers.

The Annual Conference has since been hosted in Montreal (2008), Vancouver (2009), Ottawa (2010), Quebec City (2011) Vancouver (2012), Toronto (2013), Montreal (2014), and Vancouver (2015). The Meeting now rotates annually between Toronto, Montreal and Vancouver.

Who is organizing the conference?

The 10th Annual Canadian Neuroscience Meeting is being organized under the leadership of the Canadian Association of Neuroscience (CAN) President Dr. Doug Munoz (Queen's University), and President elect Freda Miller (University of Toronto). The National Program Committee is led by Chair Kathleen Cullen (McGill University) and Co-Chair Jaideep Bains (Hotchkiss Brain Institute). The overall conference planning process is organized by CAN and the team at Podium Conference Specialists. Association communications are being provided by Julie Poupart, CAN Communications Director.

Who attends the conference?

The conference draws principal investigators, post-doctoral fellows and grad students actively engaged in neuroscience. Although most delegates are based in Canada, a growing number of conference attendees are from other countries such as the USA, Europe, Australia and Asia.

Past conferences drew scientists, postdoctoral fellows and students from the following areas:

- Behavioral Neuroscience

Purpose: The Exhibit component of the Annual Meeting of the Canadian Association for Neuroscience (CAN) (hereinafter referred to as 'Event') is conducted by the CAN (hereinafter referred to as 'Organizer') through its Secretariat Podium Conference Specialists. The purpose of the annual meeting is to bring together neuroscience researchers and students for discussion and exchange of the most cutting edge knowledge, insights, issues and ideas.

Application to participate: Application to participate will be considered only upon submission of the completed online Exhibitor Application Form to the Organizer.

Eligibility: The Organizer, in its sole discretion, determines whether a prospective Exhibitor is eligible to participate in the Event. The Organizer reserves the right to reject an application for exhibit space including, without limitation, those submitted by applicants whose product or service would not be in the best interest of the Organizer or the Event.

Attendance & Booth Representatives: The Event is not open to the public. Exhibitor name badges are to be worn by exhibitors at all times. Exhibitors without name badges may be asked to leave at the discretion of the Organizer. Booths must be staffed during the stated exhibit hall hours by qualified and properly registered representatives of the Exhibitor.

Payment: Payment is due in full upon submission of the online application form. Forms submitted without payment will not be considered complete and will not be processed until payment is received in full.

Cancellation by Exhibitor: All notices of cancellation must be received in writing by May 1, 2016. There will be an administration charge of 25% of the exhibit fee for all cancellations. If written notice is received by May 1, 2016, the Organizer will refund 75% of the total fee. No refunds will be issued for cancellation notices received after May 1, 2016.

Cancellation by Organizer: If Exhibitor fails to make a payment required by this contract in a timely manner, the Organizer may terminate this contract (and the Exhibitor's participation in the event) without further notice and without obligation to refund any monies previously paid. The Organizer reserves the right to refuse Exhibitor permission to move in and set up an exhibit if Exhibitor is in arrears of any payment due to Organizer. The Organizer may also terminate this contract effective upon written notice of termination if Exhibitor breaches any of its obligations under this contract or any other contract or arrangement with the Organizer, without any obligation on the Organizer's part to refund any payments previously made and without releasing any Exhibitor from any liability arising as result of or in connection with such breach. If the Organizer removes or restricts an exhibit it considers to be objectionable or inappropriate, no refund will be due to the Exhibitor.

Cancellation of the Event: In the event that the premises where the Event is to be held shall, in the sole opinion of the Organizer, become unfit or unavailable for occupancy, or shall be substantially interfered with, by reason of picketing, strike, embargo, injunction, act of war, act of God, fire or provincial or federal government agency or by reason of any other occurrence beyond the control of the Organizer, the Organizer may cancel or terminate the exhibition. In the event of such cancellation or termination, the Exhibitor waives any and all claims the Exhibitor may have against the Organizer for damages and expenses and agrees to accept in complete settlement and discharge of all claims against the Organizer the Exhibitor's pro-rated share of the total amount paid by all Exhibitors less all costs and expenses incurred by the Organizer in connection the Event including a reserve for future claims and expenses in connection therewith.

Subletting or transferability: Exhibitor may NOT assign, sublet or apportion to any other entity or individual all or any part of the exhibit space allocated and may not advertise nor display goods or services other than those produced or sold by said exhibitor in the regular course of business. Assignment of Space: Exhibit space shall be assigned by the Organizer in its sole discretion for the Event and for the Event dates only. That assignment does not imply that similar space will be assigned for future Events. The Organizer reserves the right to change the floor plan or to move an Exhibitor to another booth location prior to or during the Event for any or no reason.

No show policy: If the Exhibitor is delayed in arrival or set-up, the Exhibitor must notify the Organizer at the Event facility. Non-notification may result in resale of space, and no refunds will be made.

Floor plan: All measurements shown on the floor plan have been drawn as accurately as possible but the Organizer reserves the right to make such modifications as may be needed, making equitable adjustments with the exhibitors affected thereby.

Display Rules and Regulations: For all booth types, the exhibit booth is considered to be contained in the space as contracted, to the maximum heights stated. No display material exposing an unfinished surface to nearby booths will be permitted. Displays must be contained within the assigned booth spaces in such a way that they do not interfere with other exhibitors' displays. Canvassing or distributing advertising material outside of the assigned booth space is not permitted and is grounds for removal from the exhibit hall, and the company may be excluded from future events hosted by the Organizer. The Organizer reserves the right to restrict, prohibit or remove any exhibit or display items which, in the sole opinion of the Organizer, may detract from the general character of the exhibition or be considered objectionable to the Organizer or supporting organizations, facilities and stakeholders as a whole. In the event of such restriction or removal, the Organizer will have no liability therefore, nor will it refund any amount paid thereunder.

Contractor Show Services: Complete information instructions and schedules or prices regarding available services for labour for erecting and dismantling exhibitor displays or for installing electrical, furniture, booth cleaning, audio-visual, internet, telephone services, etc. is included in the Exhibitor Manual.

Exhibitor Manual: Prior to the Event, the Organizer will send an Exhibitor Manual to the 'Primary Contact' noted in the online Exhibitor Application Form, likely via email. The Exhibitor Manual will include information integral to participation at the Event, including but not limited to: additional exhibitor rules and regulations, official contractor order forms, registration, shipping and drayage, utilities and building services, exhibit display rules, and move-in, move-out schedules.

Compliance: The Exhibitor assumes all responsibility for compliance with, and agrees to comply with all applicable local laws, including fire safety and health laws, and all applicable rules and regulations for all union and labour organizations and the operators and/or owners of the property in which the Event is held. Cloth decorations must be flameproof and wiring must comply with the fire department and insurance underwriters' rules.

Insurance: The Exhibitor acknowledges that the Organizer and the facility do not maintain insurance covering the Exhibitors' property and that it is the sole responsibility of the Exhibitor to obtain business interruption and property damage insurance covering such losses by the Exhibitor. It is mandatory for exhibitors to carry special insurance to cover exhibit material against damage and loss, and public liability insurance against injury to the person and property of others. Proof of liability must be presented to the Organizer prior to exhibit set-up.

Limitation of Liability: The Organizer is not responsible for any loss, theft or damage to the property of the Exhibitor, their employees or representatives. Further, the Organizer will not be liable for damage or injury to persons or property from any cause whatsoever by reason of the use or occupancy of the booth space or the participation in the Event by the Exhibitor.
