

Research Lead

(Full-time Permanent)

Are you:

- Passionate and excited about research?
- Ready to support HSC as it continues to grow and become a more formidable and recognized leader in the global Huntington Disease (HD) space?
- Organized and able to juggle competing priorities?

The Huntington Society of Canada (HSC) is a leading Canadian charity dedicated to a world free from HD. Our team is in search of a Research Lead to assist the organization in furthering its mission and strategic objectives related to research. This newly created position reports to the Chief Executive Officer.

Key Accountabilities:

- Provide program support for all clinical and scientific projects and corresponding relationships with patients, families, industry, academic institutions, government agencies, and research donors to further the mission of the organization
- Manage HSC's existing network of scientists in basic, translational and clinical science to enable them to advance new treatments for HD
- Work with HSC's Family Services Team to develop and maximize impact of care for individuals with Huntington Disease

Specific Requirements:

- Passion for HSC's mission and demonstrated commitment to the non-profit sector and patient population
- A Master's Degree (or equivalent)) in life sciences is required
- An advanced degree (PhD, or PharmD) is desired
- Solid understanding of biology and research is required
- Knowledge of Huntington's disease and/or other neurodegenerative disorders is preferred
- Experience translating and communicating complex scientific and medical information in understandable language to educate all constituencies of the organization
- Proficiency in English with excellent oral and written communication skills
- Proficiency in French is an asset
- Superb interpersonal skills and collaborative style
- Willingness to travel, as well as able to work a flexible schedule, including evenings and weekends
- Working knowledge of Microsoft Office 365 and products
- Experience working with videoconference software

Resumes with cover letters can be emailed by end of day on April 22, 2022 to:

HR@huntingtonsociety.ca

Please enter "Research Lead" in the subject line of your email.

Thank you for your interest - only qualified candidates selected for interviews will be contacted.

HSC will provide reasonable accommodations for any applicant, as requested during the hiring process.
